POLYPEPTIDES ENCODED THEREBY

Examiner: Not Yet Assigned

REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant hereby requests that a corrected Filing Receipt be issued in the above-identified patent application. The official Filing Receipt received by Applicant, a copy of which is attached hereto, has incomplete Domestic Priority data as claimed by applicant. The complete Domestic Priority data as claimed by applicant may be found in the attached Transmittal of New Application which was filed with the United States Patent and Trademark Office on August 22, 2003.

To facilitate correction of the Filing Receipt, Applicants have crossed out those applications that are already present in the Updated Filing Receipt mailed March 13, 2009. To be clear, from the attached document the applications listed in rows 3-50 of the table appearing on pages 5 and 6 should be listed for priority purposes. In addition, the associated priority history of each individual application listed in rows 3-50 is provided on pages 7-165.

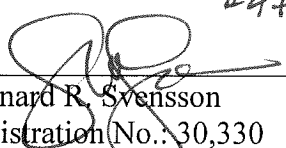

Application No.: 10/645,822

Docket No.: 2750-1571P

It is respectfully requested that the U.S. Patent and Trademark Office forward/issue a new Filing Receipt with the correction(s) indicated above. Support for the correction(s) is readily apparent on the enclosed photocopy of the Transmittal of New Application document.

Dated: April 14, 2009

Respectfully submitted,

By  #47,604
